The fabulous city of Perm.

Welcome to one of the largest Russian megapolises called Perm. Ineffably beautiful, this prosperous city is situated in one of the most developed parts of Russia. Let's take a look at its glory!

Getting around Perm.

Firstly, you need to take into account the city's complex transport system, which has many ramifications and a countless amount of vehicles. No need to worry about getting lost though, since all transport is equipped with integrated guidance software, which caters for the preferences of travellers and helps them manage their time efficiently.

Entertainment.

Another outstanding feature of the city is its entertainment network. With the support of artificial intelligence and customer service machine learning processors, it is capable of organizing a terrific holiday for you. The algorithm generates a list of places of interest according to your preferences. Such a miraculous tool makes hours spent at tourist agencies obsolete!

Straight out of the oven.

Moreover, don't be dubious and try our automated food delivery network. Anywhere you go, your order will be brought to you by a drone within ten minutes.

With the light speed.

Also, we recommend you to go on a thrilling adventure down the Kama river on a water speeder. You will be able to spectate the new skyscraper^{zone} with the astounding Kama Tower, which contains many offices of international corporations, stores, a space university and twelve
