Why Perm is worth visiting?

Perm has been prospering for over 50 years now, becoming the 3rd largest city in Russia. There are many reasons to visit it.

Places of interest

Perm is famous for several tourist attractions. Firstly, PERMM, a museum of modern art that features some of the best works from popular Russian authors, it's a must-visit. Second place that is worth checking out is Perm City, Perm's skyscraper district, it's the biggest reason for the city's economical success, as it caters to all of the needs of local businessmen.

Transportation

Perm is known for being integrated into the government's City2 software program that makes public transport, operated by an AI, efficient enough to consider personal vehicles obsolete. So, transportation is definitely not the thing you have to worry about.

Food

While restaurants isn't exactly something Perm is known for, that doesn't mean that you won't be able to satisfy your need for something delicious. There are plenty of outstanding cafes, diners and fast food joints to please even the pickiest of eaters. A perfect example is Di Trattoria, the definition of a good Italian cuisine.

What else to do?

If anything listed above doesn't suit your tastes, there are still plenty of things to do. Take a course of Russian language at Perm State University, watch a film at the biggest cinema multiplex in the Eastern Europe or get away from the hustle and bustle of the city at the Balashov Park.

All in all, there are plenty of things to enjoy in Perm and if
